WHERE: Hoffman Park in River Falls, WI

WHAT: All-Comers tournament. There is an entry fee of \$30 per player. Names are drawn from a hat to determine the teams. The number of entrants will determine the format. (7s, 10s, 15s) There will be a post-tourney social with food and beer for all participants. **MEN AND WOMEN RUGGERS ARE ENCOURAGED TO ATTEND.** A separate women's bracket will be created if numbers permit.

Since 2004, the Mike Lundberg Benefit Tournament has provided a fun opportunity to play winter rugby for men and women of all skill levels while donating 100% of the proceeds to help defray the costs of Mike's treatments. Sadly, Mike lost his long battle with Leukemia in June of 2008. At the request of his family, we are continuing the tournament to celebrate his life and will donate the proceeds to a member of the Minnesota Rugby Community in need of assistance.

This year we have two beneficiaries. The first beneficiary is Amanda Dufour. She is a player for the St Cloud Sirens rugby club and was recently diagnosed with stage 4 breast cancer. The second is Patrick Dudley, the stepfather of current River Falls player Justin "Carebear" Collins. He was in a severe car accident this year and has accumulated a large amount of debt trying to regain the ability to walk.

Please RSVP to Ben Hanson at LHPROPI@hotmail.com or call 651-329-7166 by February, 28 so I can order shirts and food. Directions can be found at www.saintpaulrugby.com You can also get the latest updates on our facebook group. Entry fee is to be paid the morning of the tourney. **100% of the proceeds go to help Amanda and Patrick.** Donations are also greatly appreciated.
